Re: *United States v. Christian Tarantino,*
08-cr-00655 (JS)

Dear Judge Seybert:

This letter is respectfully submitted in compliance with the Court's order of January 19, 2012, directing that I transmit to chambers any retained copies of the "Gargiulo micro-cassette" that were prepared by Paul Ginsberg of Professional Audio Labs. Enclosed with this letter are nine such CDs, consisting of three sets of three CDs each that were processed via three different audio filters.

I am ethically bound to interpose a work-product privilege objection to any further dissemination of these materials unless the Court is satisfied that the privilege has been waived or is otherwise not applicable.

Should the Your Honor have any further questions or concerns, I would be pleased to address those at the Court's convenience.

Respectfully yours,
/s/ *David A. Ruhnke*
